

FAB Sheet – Facet Zero

FEATURES	ADVANTAGES	BENEFITS
TM66 score of 2.8	Excellent product circularity	More sustainable product helping achieve circular economy goals
Choice of wattages 10W or 20W	Range to suit applications	Optimised lighting designs reducing costs
Area and wide distributions	Controlled directional lighting to suit your needs	No wasted light
Projected LED lifetime L90 after 100,000 hours	Reduced maintenance	Maintenance cost and time savings
High pressure die cast LM6 aluminium body	Strong material	Robust product Longer life
Tamperproof fixings as standard	Vandal resistant	Longer life Less repairs/replacements needed
One-piece pre-assembled LED module unit which includes the LED PCB, control gear, and polycarbonate cover and lens	Simplified installation and maintenance	Reduced time and costs
Plug-in mains connector	Easy and quick electrical connection	Reduced time and costs
Lumi-LinQ option	Luminaires operate on presence detection Energy performance and operational status is monitored Daily energy and carbon reporting	Reduced usage/costs Data can be reviewed and operational faults identified Monitor energy and cost savings
Lux Guard feature (wide distribution only)	Maintains light output in the event of LED failure(s)	Reduced maintenance costs Safety for users
Integral 3-hour emergency option	Continued lighting after mains power failure	Safety for users
Zero upward light	Reduced light pollution	Protecting the night sky
Applying a protective layer of anti-pick mastic around its edge after installation will make luminaire ligature resistant	Suitable for mental health spaces	Creating safer spaces
Impact rated to IK10 and sealed to IP66	Designed for tough environments, providing reliable resilience	Ensures durability
Installation hook and bracket provided	Secure mounting features	Quick and secure installation Helps align luminaire correctly
Manufactured in Britain	Parts required are readily available	Quicker resourcing and assistance
Minimum 10 year warranty	Risk to the contractor and client is reduced	Peace of mind from the backing of an established manufacturer
